From the Council: The 2015 edition of the ring-bound Church Order book of our Protestant Reformed Churches is now available. These books, updated every five years to incorporate recent synodical decisions affecting them, are of practical use to office bearers of course, but all of our families would do well to cultivate an interest in Reformed (*Protestant* Reformed) church polity. If you already have the six-ring binder, you need order only the replacement pages. New binders with updated contents are also available. Please contact Wayne De Jong at
