I had my monthly visit with my chemo nurse in Sioux Falls. We were thankful to hear all of my blood counts look really good again, The tumor marker has gone slightly down and seems to be leveling off, so that was encouraging. (It had come up before the scan last month) Feeling all around much better without the abraxone chemo. I am only on gemzar chemo now am on the 8th mo. of chemo. Thankful to God for His care these months! Thanks to Rev. Laning for his visits, also all who remembered us in any way. We covet your prayers as we go forth on this journey that the Lord placed us on Philippians 4: 19 But my God shall supply all your needs according to his riches in glory by Christ Jesus.
