QUOTES FOR CONTEMPLATION

“For you that are parents, or to whom the education of children is committed, I beseech you mind the duty which lies on you. ... For to what purpose do we desire them before we have them, rejoice in them when we have them, value them so highly, sympathize with them so tenderly, grieve for their death so excessively, if in the meantime no care be taken what shall become of them to eternity? ... If you neglect to instruct them in the way of holiness, will the devil neglect to instruct them in the way of wickedness? No, no, if you will not teach them to pray, he will teach them to curse, swear and lie. If ground be uncultivated, weeds will spring up.” -J. Flavel

“It is a singular proof of Jehovah's love that He not only receives each of us individually into His favor, but also herein associates with us our offspring, as it were by hereditary right, that they may be partakers of the same adoption. How shall He cast us off, who, in receiving our children and children's children into His protection, shows to us in their persons how precious our salvation is in His sight?” ~ John Calvin on Psalm 103:17-18
