QUOTES FOR CONTEMPLATION

The source of this peace is God's good will toward men.

God's good will is His kindness and benevolence. This good will God has towards men. These men are His elect church that forms the heart of the human race.

In His good will, God will bring peace to them on earth.

This is His good will even though it means the suffering, shame, and hellish death on the cross of Bethlehem's babe, who is His only begotten Son.

The angels recognized God's great glory in all this and joyfully filled the heavens with praise to God. We who have and enjoy this peace must with the angels of heaven praise God for His glorious work of sending His only begotten Son into our world as the Savior, which is Christ the Lord. We must do that in song and prayer. We must do this by living and enjoying the peace God has brought to us in Jesus Christ.
