## QUOTES FOR CONTEMPLATION

*A contented mind is an invaluable blessing, and is one of the fruits of religion in the soul. It arises from the belief that God is right in all his ways. Why should we be impatient, restless, discontented? What evil will be remedied by it? What want supplied? What calamity removed? ‘He that is of a merry heart hath a continual feast’ (Prov. 15:15); and one of the secrets of happiness is to have a mind satisfied with all the allotments of Providence. . . . ‘Give us minds always contented with our present condition.’ No prayer can be offered which will enter more deeply into all our happiness on earth.*

*-Albert Barnes*
